Heritage Le Telfair Golf & Spa Resort

Living out the charms of yesteryear...

Heritage Le Telfair is nestled at the heart of the 'Domaine de Bel Ombre' on the unspoiled South coast of Mauritius. Named after a famous naturalist, Charles Telfair, who lived in the area in the 19th century, this elegant and refined hotel invites its guests to stay in a setting inspired by the Mauritian colonial architecture and style of the time. The sublime 5-star establishment, infused with the charm and style of the colonial sugar plantation past, opens out onto a magnificent tropical garden through which the Citronniers river flows. Escaping back through time, Heritage Le Telfair immerses its guests in a very special atmosphere, embodying the charm and romanticism of yesteryear...

Heritage Le Telfair, a member of the "Small Luxury Hotels of the World", is exceptional in many ways: its butler service in suites is one indication of our conviction that top quality is synonymous with personalised service. Further, the luxurious and spacious rooms decorated with fine white woodwork, all refer to the décor and interiors of Mauritius in the 19th century.

Extending the dream, Heritage Le Telfair Golf & Spa Resort has a wonderful selection of restaurants allowing its guests to discover an infinite range of flavours: the main restaurant Annabella's on the banks of the river with an open and interactive show-kitchen, the Gin'ja a Pan Asian restaurant on the beach, the Château de Bel Ombre, an enchanting colonial-style mansion

where one can discover Mauritian cuisine. Guests of Heritage Le Telfair also have a privileged access to the restaurants of the neighbouring resort, the Heritage Awali Golf & Spa Resort and now to two other restaurants at the new C Beach Club, the island's sea, sand and sun experience by excellence.

Well-being is taken care of by the Seven Colours Spa 'Millesime Collection' a unique deluxe spa experience with personalised treatments all available on 2000 m² of lush tropical gardens and a relaxing area with a vitality pool.

Sport fans have access to a plethora of land and water sport activities worthy of a 5-star hotel. A fully equipped fitness centre, as well as a 600m² pool and a 175 m² heated pool, an ATP tennis school under

the guidance of Kamil Patel and a spectacular 18-hole Championship golf course overlooking the sea are just five of many possibilities offered at the Resort.

Your children will be treated as little princes at the exclusive kids club open from 8:30 to 11:30 for children from 2 (if potty trained and able to self feed) to 11 years old. Personalised babysitting services as well as specific equipment and amenities for the little ones are also available. Special activities/programmes for teenagers are also available all led by a team of entertainment professionals!

A unique place, Heritage Le Telfair magically transports you back to yesteryear...
